Providing assistance ...

All too often, citizens are unaware of the many state programs and agencies available for help and information on problems which affect many of us in our daily lives. It is important that you know who to contact when you need help. Providing assistance to our constituency is our top priority.

Thus, we have compiled this listing of some of the more important state and federal sources available. I hope you find this brochure useful, and that you keep it for future reference.

Richard D. Young, Jr.
Minority Floor Leader
Indiana Senate Democrats
